## INTRODUCTION

This Title VI Implementation Plan is a part of the **Gibson County** continual and ongoing effort to proactively meet and exceed the minimum compliance requirements established under Title VI of the Civil Rights Act of 1964 (Title VI), 49 CFR § 26, and the related anti-discrimination statutes and regulations. With this Implementation Plan, **Gibson County** seeks to provide continued transparency, clarity and technical guidance for internal and external constituents regarding its Title VI program.

## GIBSON COUNTY TITLE VI NON-DISCRIMINATION NOTICE & POLICY

**Gibson County** values each individual's civil rights and wishes to provide equal opportunity and equitable service for the citizens of this state. As a recipient of federal funds, **Gibson County** conforms to Title VI and all related statutes, regulations, and directives, which provide that no person shall be excluded from participation in, denied benefits of, or subjected to discrimination under any program or activity receiving federal financial assistance from **Gibson County** on the grounds of race, color, age, sex, sexual orientation, gender identity, disability, national origin, religion, income status or limited English proficiency. **Gibson County** further assures every effort will be made to ensure nondiscrimination in all of its programs and activities, regardless of whether those programs and activities are federally funded.

It is the policy of **Gibson County** to comply with Title VI of the Civil Rights Act of 1964; Title VII of the Civil Rights Act of 1964, 42 U.S.C. § 2000e; Age Discrimination Act of 1975, 42 U.S.C. §§ 6101-6107; Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, 42 U.S.C. §§ 4601-4655; 1973 Federal Aid Highway Act, 23 U.S.C. § 324; Title IX of the Education Amendments of 1972, Pub. L. No. 92-318, 86 Stat. 235; Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. §§ 701 *et seq.*; Civil Rights Restoration Act of 1987, Pub. L. No. 100-259, 102 Stat. 28; Americans with Disabilities Act of 1990, 42 U.S.C. §§ 12101 *et seq.*; Title VIII of the Civil Rights Act 1968, 42 U.S.C. §§ 3601-3631; Exec. Order No. 12898, 59 Fed. Reg. 7629 (1994) (Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations); and Exec. Order No. 13166, 65 Fed. Reg. 50121 (2000) (Improving Access to Services for Persons with Limited English Proficiency).

The Civil Rights Restoration Act of 1987, Pub. L. No. 100-259, 102 Stat. 28, broadened the scope of Title VI coverage by expanding the definition of terms "programs or activities" to include all programs or activities of federal-aid recipients, sub recipients and contractors/consultants, regardless of whether such programs and activities are federally assisted.

Pursuant to the requirements of Section 504 of the Rehabilitation Act of 1973, Pub. L. No. 93-112, 87 Stat. 355, **Gibson County** hereby gives assurance that no qualified disabled person shall, solely by reason of disability, be excluded from participation in, be denied the benefits of or otherwise be

subjected to discrimination, including discrimination in employment, under any program or activity that receives or benefits from this federal financial assistance.

**Gibson County** also assures that every effort will be made to prevent discrimination through the impacts of its programs, policies and activities on minority and low-income populations. In addition, **Gibson County** will take reasonable steps to provide meaningful access to services for persons with limited English proficiency (LEP). **Gibson County** will, where necessary and appropriate, revise, update and incorporate nondiscrimination requirements into appropriate manuals, directives and regulations.

Whenever **Gibson County** distributes federal-aid funds to a second-tier sub recipient, **Gibson County** will include Title VI language in all written agreements.

The following individual has been identified as **Gibson County's** Title VI and ADA Coordinator and is responsible for initiating and monitoring Title VI activities, preparing reports and performing other responsibilities, as required by 23 C.F.R. § 200 and 49 C.F.R. § 21.

## ENVIRONMENTAL JUSTICE ANALYSIS & REPORTS

In accordance with Title VI of the Civil Rights Act of 1964, each Federal agency shall ensure that all programs or activities receiving Federal financial assistance that affect human health or the environment do not directly, or through other arrangements, use criteria, methods, or practices that discriminate on the basis of race, color, or national origin. Part of Title VI reads, "No person in the United States shall, on the ground of race, color, or national origin be excluded from participation in, be denied the benefits of, or be subject to discrimination under any program or activity receiving Federal financial assistance."

The three fundamental environmental justice (EJ) principles are:

- To avoid, minimize, or mitigate disproportionately high and adverse human health and environmental effects, including social and economic effects, on minority populations and low-income populations;
- To ensure the full and fair participation by all potentially affected communities in the transportation decision-making process; and
- To prevent the denial of, reduction in, or significant delay in the receipt of benefits by minority populations and low-income populations.

**Gibson County** is committed to these three environmental justice principles in all work that the County performs.

## LIMITED ENGLISH PROFICIENCY (LEP) POLICY

On August 11, 2000, the President signed an executive order, Executive Order 13166: Improving Access to Service for Persons with Limited English Proficiency (LEP), to clarify Title VI of the Civil Rights Act of 1964. It has as its purpose, to ensure meaningful access to programs and services to otherwise eligible persons who are not proficient in the English language. In addition, The US Department of Transportation published Policy Guidance Concerning Recipients' responsibilities to Limited English Proficient Person in the December 14, 2005 Federal Register. This guidance outlines the following four factors that the County uses to access the LEP populations in **Gibson County**.

1. The number and proportion of LEP persons eligible to be served or likely to be encountered by the County.
2. The frequency with which LEP individuals come into contact with the program, activity or service.
3. The nature and importance of the program, activity, or service provided by the program.
4. The resources available to the County and costs.

In addition, Gibson County [**has** ] implemented the safe harbor provision whereby it identifies and translate all vital documents into any language where the 5% threshold is met whereby 5% or more of the population in the county both:

- Does not speak English very well AND
- Primarily speaks another specific language as identified in current census data or other publically available records.

---

### SUMMARY OF THE FOUR FACTOR ANALYSIS

#### **Factor 1:**

The number and proportion of LEP persons eligible to be served or likely to be encountered by the County can only be estimated until the actual number of persons who can speak English less than "very well" are documented as needing assistance by County Staff . With this Title VI Plan being in early development stages and considered a document that may need regular updates, US Census Bureau information is being used at this time. The total population is provided below to shown general distribution of race and ethnicity in the community. The estimated number of persons that may not speak English "very well" is following in the US Census Bureau 2006-2010 American Community Survey.

The U.S. Census Bureau provides statistics from 2015 for the **Gibson County** as follows:

Total population = 33,775

Population by Ethnicity:

Hispanic or Latino = 1.6% Non-Hispanic or Latino = 93.9%

Population by Race:

White = 95.2%, African American = 2.2%, Asian = 0.6%, American Indian or Alaska Native = 0.3%, Native Hawaiian and other Pacific Islander = N/A, Other = 0.5%, Identified by two or more = 1.6%.

The US Census Bureau 2006-2010 American Community Survey 5-Year Estimates under SELECTED SOCIAL CHARACTERISTICS estimates the number of people in **Gibson County** who speak a language other than English to be 612 with those speaking English less than “very well” estimated at 0.9% or approximately 291 individuals who may be considered limited in English proficiency. The margin of error is +/-0.4% so the actual number may fluctuate from 407 to 175 individuals.

According to the census numbers above there may be up to 407 individuals who live in the **Gibson County** that may be considered as LEP. Based on actual contact between County Staff and the community there have been very few requests from anyone in the service area asking the County to provide language translation services. Therefore, the LEP population is probably even less than the estimate shown above.

**Factor 2: The frequency with which LEP individuals come into contact with the program, activity or service:**

Due to the infrequent requests for translation services, there appears to be a minimal need for translation services from the County. This may be attributed to the population of younger people (7,976 for ages up to 17) who are available as family members for translation services.

**Factor 3: The nature and importance of the program, activity, or service provided by the program:**

If at any time a LEP individual requests translation services that are considered important such that denial or delay of access or services or information could have serious or even life-threatening implications, the County will provide, upon request, services to assist the LEP population including translation of vital County documents and interpretation services.

**Factor 4: The resources available to the County and costs:**

- The **Gibson County** strives to serve its population to the best of its ability and will provide upon request, services to assist the LEP population including translation of vital documents and interpretation services deemed necessary to provide meaningful access to County services.
- A U.S. Census Bureau I Speak card is available as part of this document. This card allows LEP individuals to communicate their preferred language to County Staff whereas County Staff may then access a translation service as determined by the County.
- The **Gibson County** utilizes a voluntary public involvement survey to collect information regarding persons affected by proposed projects. The survey permits respondents to remain anonymous, while voluntarily answering questions regarding their gender, ethnicity, race, age, sex, disability status, and household income. Once the survey data has been collected, it will be reviewed and then the survey will be placed in a file for future reference. In the case enough surveys are collected over time to show a significant increase in LEP populations, the County may consider changes to their LEP policy. Completed surveys shall be retained for a period of three years from the date of the meeting and/or completion of the related project, if applicable.
- The County reviews written Title VI complaints and ensures every effort is made to resolve complaints informally at the local or regional level and review and update the County's Title VI plan and procedures as required.
- Staff for the County will be provided training on the requirements for providing meaningful access to services for LEP persons and new employees will receive the same training.

## TITLE VI TRAINING

---

### EMPLOYER/EMPLOYEE DISSEMINATION & TRAINING

**At the time of Hire:** Title VI policy education and literature will be provided to all **Gibson County** employees. **Gibson County** employees will be required to sign an acknowledgement of receipt indicating they have received and reviewed Title VI policy guidelines. New employees will be provided with education and literature at new employee orientation. Employees will be provided with updated education and literature as **Gibson County** deems necessary.

**Ongoing Training provided to current employees:** Current employees will receive training [once every 3 years]. Training will consist of [Title Vi handout} and will be provided [in person].

Employees will be expected to follow the Title VI policy and the guidelines set forth. In addition, **Gibson County** employees should make every effort to alleviate any barriers to service or public use that would restrict public access or usage, take prompt and reasonable action to avoid or minimize discrimination incidences and immediately notify the Title VI Coordinator, in writing, of any questions, complaints or allegations of discrimination.

## PUBLIC INVOLVEMENT

### DATA COLLECTION

Pursuant to 23 CFR 200.9(b) (4), **Gibson County** shall collect and analyze statistical information regarding demographics to assist in monitoring and ensuring nondiscrimination in all of its programs and activities.

**Gibson County** shall utilize a voluntary Title VI public involvement survey that will be available at all public hearings and meetings. The survey will allow respondents to remain anonymous. The survey will ask questions regarding the respondent's gender, ethnicity, race, age, income and if they are disabled. The facilitator of the public hearings and meetings will make an announcement at the beginning of the meeting informing attendees of the survey and its purpose and a request will be made for the attendees to complete the voluntary survey. Completed surveys will be retained by the Title VI Coordinator for three (3) years.

The Title VI Coordinator will also collect and report statistical data for the past three (3) years as it relates to the number of federally funded projects, complaints filed and the results of those complaints, any requests for language services, demographic statistics and department compliance reviews.

### COMMUNITY INVOLVEMENT & OUTREACH

**Gibson County** is committed to ensuring that community involvement and outreach is done in a respectful and appropriate manner that will allow for diverse involvement. Public meetings, programs and activities will provide equitable opportunities for participation.

## **APPENDIX C: COMPLAINT LOG**

## **APPENDIX D: EXTERNAL COMPLAINT PROCEDURE**

### **1. Required Time to File Complaint**

To allow time to file first with the County and then externally with an appropriate outside agency or court, as the complainant chooses, any complaint to the County should be filed promptly and must be filed not later than one hundred eighty (180) calendar days after the alleged discrimination occurred. If the complainant is not satisfied with the findings or the proposed remedial action, the complainant may still file externally within any applicable statute of limitations.

If a complaint is filed within the County and is filed externally during the same time, the external complaint supersedes the internal complaint filing. Accordingly the County's complaint procedures will be suspended pending outcome of the external complaint.

#### **1.1 Step 1- Informal Meeting with Department Head**

The complainant and/or the complainant's representative are encouraged to initiate the process by meeting with the County department head of the service or facility where the alleged discrimination took place. The complainant should provide the basis of the complaint (race, color, national origin) and the nature of the incident that led the complainant to feel that discrimination was a factor.

The department head shall immediately notify the Title VI Coordinator. The department head shall, within ten (10) workdays after receiving the complaint, reach a decision and communicate the decision to the complainant and the Title VI Coordinator. Upon receipt of a complaint, the Title VI Coordinator will determine jurisdiction.

Complaints against the County involving Federal Highway Administration funds will be forwarded to the appropriate State agency, the Indiana Department of Transportation, for proper disposition pursuant to its procedures.

#### **1.2 Step 2- Formal complaint to Title VI Coordinator**

If the complaint is not resolved at Step 1, or if the complaint is not first brought to the department head, a written complaint shall be filed with the County's Title VI Coordinator.

The complainant should submit his/her complaint to the County by completing the attached Title VI Complaint Form.

The Coordinator shall notify the department head of the formal complaint and initiate an investigation immediately. The department head shall provide assistance during this internal investigation as requested by the Coordinator.

The internal investigation shall be completed within twenty (20) workdays of receipt of the complaint, at which time the Coordinator will inform the complainant in writing of its disposition, including any findings of fact and any actions to be taken.

#### **1.3 Disposition of Complaints**

**Sustained Complaints** – If the complaint is substantiated, this policy and procedure prohibiting discrimination will be reviewed with the offender. Appropriate disciplinary action and/or training will be taken pursuant to the County's disciplinary procedures.

**Unsustained Complaints** – If there is insufficient evidence to either prove or disprove the allegation(s), both parties to the complaint will be informed of the reason(s) for this disposition.

**Unfounded Complaint** – If it is determined that an act reported pursuant to this policy/procedure did not in fact occur, a finding of "unfounded" shall be made.

**Exonerated Complaints** – If it is determined that an act reported pursuant to this policy/procedure did in fact occur, but was lawful and proper within the guidelines established herein, a finding of "exonerated" shall be made.

#### **1.4 Review by Appeal**

If the complainant is not satisfied with the resolution, an appeal process is available. An appeal request for review of a determination of unlawful denial of access or accommodation to public transportation must be filed, in writing, within thirty (30) calendar days of the resolution of the complaint, with the Title VI Coordinator.

The written appeal must include the complainant's name, address, and telephone contact number. A statement of reason(s) why the complainant believes the denial of the complaint was inappropriate is recommended.

The Title VI Coordinator will set a mutually agreed-upon time and place for the review process with the complainant–appellant and/or representatives and a County Commissioner or designee within thirty (30) days of the request. The complainant–appellant may submit documents or other information to be included with the record and considered in the review process. A record of the review will be kept by the County.

A complainant's right to a prompt and equitable resolution of the complaint will not be impaired by the complainant's pursuit of other remedies. Use of this complaint procedure is not a prerequisite to the pursuit of other remedies.

#### **1.5 Complaint Log**

The Coordinator will maintain a Title VI complaint log to show identifying information type, and status of each complaint filed, including those filed under Step 1 of this procedure. When any investigation is concluded, the Coordinator will keep a copy of the report on permanent file.
