WHEREAS, the Buildings are in need of certain upgrades to electrical, mechanical and related systems (collectively, the "Project"); and

WHEREAS, the Board of Commissioners of Gibson County, Indiana (the "Commissioners") believe a need exists to undertake the Project at this time, so as to avoid the potentially catastrophic loss associated with electrical system malfunctions at the courthouse building and the potentially high cost associated with emergency repairs of the mechanical system at the jail building; and

WHEREAS, the Commissioners find the incorporation of the Holding Corp to be in the public interest and wish to approve the same; and

WHEREAS, the Commissioners have reviewed the form of a Lease Between Gibson County Facilities Holding Corporation and Gibson County, Indiana, attached hereto as **Exhibit A** (the "Lease"), and wish to preliminarily approve the same, subject to: 1) concurrence by the Holding Corp, 2) consideration of further information to be obtained by the Commissioners through a public hearing on the matter, 3) final approval by both the Commissioners and the Gibson County Council after the completion of the public hearing, 4) a lease rental rate not to exceed Fifty Thousand Dollars (\$50,000.00) per quarter, payable on the first business day of each quarter, commencing with the first quarter after the Project is placed in service or January 3, 2012, whichever is later, and 5) a lease term not to exceed fifteen (15) years from the date the Project is placed in service; and

WHEREAS, the Commissioners wish to proceed with the aforementioned public hearing on the Project and the Lease; now therefore,

BE IT RESOLVED as follows:

1. That the formation of the Holding Corp for the purpose of undertaking the Project and leasing the same to Gibson County is hereby approved.
